

**REMARKS**

Claims 1-76 remain pending in this application. Pursuant to the telephonic conversation between Examiner Kazimi and Applicant's representative on August 5, 2004, Applicant submits this request for reconsideration so that the final Office action may be withdrawn and a Notice of Allowance or new action be issued in response to Applicants' November 26, 2003 Response to Office Action ("Response").

The final Office action was improper for at least the following reasons. Examiner Akers failed to acknowledge or respond to Applicant's § 103 arguments provided in the Response, except to simply state that Applicant's arguments "are not persuasive." In the final Office action and the original non-final action, Examiner Akers merely cited to highly generalized portions of the references without providing any application or context to any particular claim.

Applicant is grateful to Examiner Kazimi for his assistance.

**CONCLUSION**

It is respectfully submitted that, in view of the foregoing remarks, the application is in clear condition for allowance. Issuance of a Notice of Allowance is earnestly solicited.

The Office is authorized to charge the three-month small entity extension of time fee of \$475.00 to Deposit Account No. 11-0600; a copy of this page is provided for this purpose. Although not believed necessary, the Office is hereby authorized to charge any additional fees required under 37 C.F.R. § 1.16 or § 1.17 or credit any overpayments to Deposit Account No. 11-0600.

The Examiner is invited to contact the undersigned at 202-220-4200 to discuss any matter regarding this application.

Respectfully submitted,

Dated: August 18, 2004
